GOD IS ANGRY AT EVIL

So put all evil things out of your life...These things make God angry." Colossians 3:5-6

Many don't understand God's anger because they confuse the wrath of God with the wrath of man. The two have little in common. Hymn anger is typically self-driven and prone to explosions of temper and violent deeds. We get ticked off because we've been overlooked, neglected, or cheated. This is the anger of man. It is not, however, the anger of God.

God doesn't get angry because he doesn't get his way. He gets angry because disobedience always results in self-destruction. What kind of father sits by and watches his child hurt himself?
