BENEDICTION

Today God Is First

More Than a Name

When the late CBS correspondent Ed Bradley visited the Vietnam Memorial in Washington, D.C., he found a letter propped against the black wall. It read:

"I wanted to come back and say hello. You know, I went ahead and married Dick, and we have a beautiful little girl. Her favorite color is purple, the color of this stationery. I went to Arlington to see your grave, and on it, it said you got a Purple Heart for dying. Well, this is your purple heart for having lived. I hope that our daughter finds as wonderful and as beautiful a first love as you were for me. Good-bye. Hello. Nancy."

That's a strong reminder that those we honor on Memorial Day are more than simply names. They were living people who loved and were loved ... and are still loved.
