WHAT EASTER DOES

Jesus' resurrection from the dead is life-changing and life-giving for his followers. But, as Henry Knox Sherrill notes, Easter's "joyful news…does not change the contemporary world." On earth, we still must deal with sin, pain, death and brokenness. And "still before us lie work, discipline, sacrifice," Sherrill adds. What Easter does, though, is provide Christians with "the spiritual power to do the work, accept the discipline and make the sacrifice."

By defeating the grave, Jesus empowers us to bear our worldly troubles with joy, peace and hope. His resurrection assures us that trials, tears and suffering are only temporary, while eternal victory and life with Jesus are permanent.

Good Morning! *As the risen Jesus greeted his beloved disciples, please welcome your brothers and sisters with peace.*
