God, make whatever I worship in your place (work, financial security, health, relationships) worship you (Psalm 97:7). Make clear to me the difference between such idols and you, who reign supreme.

PURIFIER OF SILVER

Malachi 3:3 says "He will sit as a refiner and purifier of silver"

Have you ever wondered what that means?

If you were to ask a silversmith about his work,
he would tell you that he holds a piece of silver
over the fire and lets it heat up.
He would explain that in refining silver, one needs
to hold the silver in the middle of the fire
where the flames are hottest to burn away all the impurities.

The silversmith would tell you that he must keep
his eyes on the silver the entire time it is in the fire,
for if the silver were left too long in the flames,
it would be destroyed.

If you were to ask this master craftsman how
he knows when the silver is fully refined,
he would reply,
"When I see my image in it."

If today you are feeling the heat of the fire, remember that God has His eye on you, he will never give you more than you can handle and He will keep watching you until He sees His image in you.

Good Morning! *Living always in the joy of the Resurrection, let us join hearts and voices to praise the Living Lord!*
