BENEDICTION

Today God Is First

CLEAR HEADED FAITH

Most often...worry is a lack of confidence in life, in its purpose, in Go. Faith in life, in God, is native to the human spirit...Worry is faith in reverse.

Not only because most of the things we are anxious over never come to pass, but also because, when we worry, the most obvious things to do in our situation are overloaded. We should relax our tension by trusting God and putting at the disposal of that trust a clear head.

--Howard Thurman, *Deep Is the Hunger*

Do not be
anxious
about
anything.
Philippians 4:6

Good Morning! The psalmist urges us to sing the Lord's praises and proclaim his deeds to all (see Psalm 9:11). Let us do so! Welcome to worship!
