BENEDICTION

Today God Is First

WHO WILL LEAD?

In Judges 9:8-15, the trees had difficulty finding a willing leader. The olive tree, fig tree and grape vine all declined, saying they didn't want to leave their important production jobs. Finally out of options, the trees asked the wretched, thorny bramble bush to be king. Although this wild shrub wasn't welcome on anyone's land, still it was a plant. And it was willing to rule if the trees announced their allegiance. The trees opted for the worst of the worst. When the most worthy, qualified people neglect to step up and lead, results - and morale - suffer. Where can your expertise and passion best be put to use in God's kingdom?

Good Morning! The psalmist urges us: "Make a joyful noise to the Lord! Come into his presence with singing!" (Psalm 100: 1-2, ESV). Let us do so! Welcome.
